**Tri-City Mental Health Authority
MONTHLY STAFF REPORT**

DATE: April 7, 2022

TO: Governing Board of Tri-City Mental Health Authority

FROM: Jesse H. Duff, Interim Executive Director

BY: Mica Olmos, JPA Administrator/Clerk

SUBJECT: Consideration of Resolution No. 645 Authorizing the Implementation of Teleconferencing Requirements during a Proclaimed State of Emergency Under Government Code Section 54953 (AB 361)

Summary:

On Tuesday, March 1, 2022, the California Department of Public Health (CDPH) relaxed the masking requirement for unvaccinated individuals; however, it did not lift the state of emergency. The following day, Cal-OSHA announced its intent to mirror CDPH's recommendations except in certain industries, such as healthcare settings. Per Cal-OSHA regulations, masking and 6-foot physical distancing will continue to be required in healthcare settings until further notice. Accordingly, Tri-City Mental Health Authority must follow Cal-OSHA requirements.

Therefore, TCMHA will continue to hold virtual meetings per Assembly Bill No. 361 (AB 361) enacted on September 16, 2021, which amended the Brown Act by waiving certain provisions regarding teleconferencing; and effectively authorizing public agencies to hold its public meetings via teleconference under a proclaimed state of emergency which makes it unsafe to meet in person, provided that it allows the public, seeking to observe and to address the legislative body, to participate in real time telephonically or an internet-based service option during a virtual meeting; and the legislative body makes additional findings every 30 days in order to continue such teleconferencing pursuant to AB 361.

Background:

The Ralph M. Brown Act requires that all meetings of a legislative body of a local agency be open and public and that any person may attend and participate in such meetings; and allows for legislative bodies to hold meetings by teleconference, but imposes the following requirements for doing so:

1. The public agency must give notice of each teleconference location from which a member will be participating in a public meeting.
2. Each teleconference location must be specifically identified in the meeting notice and agenda, including full address and room number.
3. Each teleconference location must be accessible to the public.
4. Members of the public must be able to address the body at each teleconference location.

On March 17, 2020, Governor Newsom issued Executive Order No. N-29-20, suspending the Brown Act's teleconferencing requirements (enumerated above) in order to address the need for public meetings during the present public health emergency (COVID-19) and allow legislative bodies to meet virtually as long as certain notice and accessibility requirements were met; and on June 11, 2021, Governor Newsom issued Executive Order No. N-8-21 continuing the suspension of the Brown Act's teleconferencing requirements through September 30, 2021.

On September 16, 2021, the State Legislature amended the Brown Act through Assembly Bill No. 361 (AB 361), codified under Government Code § 54953, waiving certain provisions of the Brown Act in order to allow local agencies to continue to meet using teleconferencing without complying with the regular teleconferencing requirements of the Brown Act when a legislative body holds a meeting during a proclaimed state of emergency and it unsafe to meet in person.

In addition, Government Code section 54953 adds new procedures and clarifies the requirements for conducting remote (virtual) meetings, including the following:

- Public Comment Opportunities in Real Time – a legislative body that meets remotely pursuant to AB 361, must allow members of the public to access the meeting via a call-in option or an internet-based service option, and the agenda for the remote meeting must provide an opportunity for members of the public to directly address the body in real time. A legislative body cannot require public comments to be submitted in advance of the meeting.
- No Action During Disruptions – in the event of a disruption that prevents the local agency from broadcasting the remote meeting, or in the event of a disruption within the local agency's control that prevents members of the public from offering public comments using the call-in option or internet-based service option, AB 361 prohibits the legislative body from taking any further action on items appearing on the meeting agenda until public access is restored.
- Periodic Findings – Government Code § 54953(e)(B) requires the legislative body to hold a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risk to the health or safety of attendees.

The Governing Board must make these findings no later than 30 days after the first teleconferenced meeting is held after September 30, 2021, and must also make these findings every 30 days thereafter, in order to continue to allow teleconference accessibility for conducting public meetings (Government Code § 54953(e)(3).) AB 361 will sunset on January 1, 2024.

Tri-City Mental Health Authority (TCMHA) has already implemented the above stated requirements for conducting public meetings and is in compliance with AB 361, thus there will be no change of the currently established procedures. Teleconference accessibility is available via call-in option or through via RingCentral Webinars platform (internet-based service option) and both the telephone number and meeting link are listed on the published agenda for each meeting as well as on TCMHA's buildings and website.

The JPA Administrator/Clerk monitors public comment submitted via email correspondence (as published on the agenda); and designated staff monitors comment via teleconference throughout each public meeting and provides access for public comment opportunities in real time both verbally (via call-in or by using the 'raised hand' feature) and in writing (in the 'chat' and 'Q & A' options.)

A RESOLUTION OF THE GOVERNING BOARD OF THE TRI-CITY MENTAL HEALTH AUTHORITY AUTHORIZING THE INTERIM EXECUTIVE DIRECTOR TO IMPLEMENT TELECONFERENCING REQUIREMENTS FOR CONDUCTING PUBLIC MEETINGS DURING A PROCLAIMED STATE OF EMERGENCY PURSUANT TO GOVERNMENT CODE SECTION 54953 (AB 361)

1. **Findings.** The Governing Board hereby finds and declares the following:

A. Tri-City Mental Health Authority (“Authority” or “TCMHA”) wishes to continue using teleconferencing to conduct public meetings as allowed under Government Code § 54953, since a state of emergency as a result of the threat of COVID-19 still exists and continues to impact the ability of members of the Governing Board, Mental Health Commission, Tri-City staff, and public to meet safely in person.

B. The State of California and the Authority continue to follow safety measures in response to COVID-19 as ordered or recommended by the Centers for Disease Control and Prevention (CDC), California Department of Public Health (DPH), California Occupational Safety and Health Administration (Cal/OSHA), and/or County of Los Angeles, as applicable, including facial coverings when required and social distancing.

C. The Authority will make these findings every 30 days in order to continue such teleconferencing pursuant to Government Code § 54953 (AB 361), which will sunset on January 1, 2024.

D. The Interim Executive Director or his designee, are authorized to continue utilizing teleconferencing accessibility to conduct public meetings, and implement teleconference requirements in compliance with AB 361 (Stats. 2021, ch. 165) and Government Code § 54953 (as amended), effective immediately.

2. **Action**

The Governing Board finds and declares that it is unsafe to meet in person during the proclaimed state of emergency as a result of the continued threat of COVID-19, and authorizes the Interim Executive Director, or his designee, to continue utilizing teleconferencing accessibility to conduct the Authority’s public meetings pursuant to Government Code § 54953.
